RECORD OF CONTINUITY OF BRAZER QUALIFICATION

We wish to use provision QB-322 of the ASME Section IX Boiler and Pressure Vessel Code:

Renewal of qualification of a performance qualification is required when a brazer or brazing operator has not used the specific brazing process for a period of 6 months or more; or when there is a specific reason to question the ability to make brazes that meet the specification

We also wish to comply with the NFPA99 Health Care Facilities Code:

Performance qualifications of brazers shall remain in effect indefinitely, unless the brazer does not braze with the qualified procedure for a period exceeding 6 months or there is a specific reason to question the ability of the braze. This individual has brazed using the qualified procedure and specific brazing process within the NITC BPS# 13-BPS148
