Journeymen Training 2018/2019

Fall & Winter Classes

The following is a list of Journeymen Training Classes that will be available in Fall/Winter 2018/2019. If you are interested in furthering your training in any of the available classes please contact Jeff Berger at 609-567-3322, extension 4. Remember that some courses fill quickly and others require a minimum number of students to run as scheduled.

Built Rite Recertification 5:30 PM:

Built Rite Recertification is held on the first Wednesday of every month.

Recertification is also available on Tuesdays or Thursdays between 9:00 AM and 11:00 AM.

Journeyman Welding: 5:30 PM (12 Students Max)

Classes will be on Monday and Tuesday nights starting September 10, 2018. Please call Jeff Berger 609-567-3322 Ext 4 to reserve your booth.

UA Weld Test: Dates to be announced

Installation of Medical Gas Systems: 10 students minimum 16 Max

(September Dates to be announced): This is a 10 week 40-hour certification class. Upon completion, you will receive a certification through NITC. This consist of a written test and a Braze certification. Braze coupons are sent to NITC for certification. **Call to reserve a spot on the list.**

You will also have to apply for a New Jersey State Medical Gas Installer license.

BIM & Intro to Computer: Monday nights (12 students Max) at 5:30 PM :

Class starts on September 3, 2018 and will run for approximately 12 weeks. Learn how to access files, email, cut and paste and more. This is a prerequisite for Auto Cad. Upon completion of this class you may roll into **Auto Cad.**

Auto Cad Will start after the completion of Intro to Computer.

Advanced Auto Cad: Tuesday nights Starting September

Class starts on Tuesday, September 4, 2018. Continue to sharpen your Auto Cad skills.

CPR/First Aid: 3 Nights (10 students Max)

Classes will be in November (Dates to be announced). **You must attend all three nights.**

Backflow Installer/Tester (10 students Max) January Dates to be announced:

This is a 10 week 40-hour certification class with a Proctored hands-on and a written test.

OSHA 30 With CPR/First Aid:

We will offer OSHA 30/CPR when we have 10 members sign up. Please call to reserve your spot.
